1 The first page with content

Behold!

This chapter contains information. You have been warned.

1.1 The first information

It can be scary to receive information, but fear not! As mentioned by [Dummy and Dummies \[2015\]](#) it is harmless for people with open minds. But lets not dwell too much on that topic.

1.2 The next information

In [[Dummy, 2015](#)] you can get some short guides to, how to build your first document. Multiple styles can be used – whether you need to write an article, a master thesis, bachelor project or something else.

There are some other thing, whihc could be mentioned too, but we stuffed those in the Appendix, section A.1 and A.2.

2 The figures and tables in your document

When writing information down, it can get boring to read. Spice up that sh... text with some figures!

Insert a figure like the on Figure 2.1.

**Dummy
Figure**

Figure 2.1: A dummy figure

Or, if you don't really know what to input, do as on Figure 2.2.

Figure 2.2: A dummy figure, but without content

Or perhaps you want two figure side by side like figure 2.3 and 2.4

2.2 Some tables

It's table time.

2.2.1 How to table

Have a look at Table 2.1. It's very boring.

A number	A short text
1	This is the first number
2	This is also a number, but there's way more text in here. A lot more! It's crazy!!! It's two lines.
3	Now with a third line.
5	Oops – we missed the forth number
10	It's all wrong now
-4	Wat?

Table 2.1: Boring table

2.2.2 An excel arc

Dear lord, you did not just! Look what you did! Look at Table 2.2! It's ugly as a new born baby's leftovers!

Table 2.2: The Excel table

2.2.3 An exotic table

Lets add a header above and under the bold text...and at the end. And lets add some colors. Have a look at Table 2.3 – it's much better! Now you have a chance of seeing what is happening on each line with worrying about it looking ugly!

2.2.4 Long-ass table – aka. multi pages

You need that? YES – ALWAYS in need of more! Table 2.4 shows this.

A Appendix

A.1 It's not so important

But you can add an appendix. Here you can describe things that are not that important, but good to have anyway.

A.2 Not important either

This too – not that important.
